Ready Steady Go!

Challenging Play Trails at Unbeatable Prices.

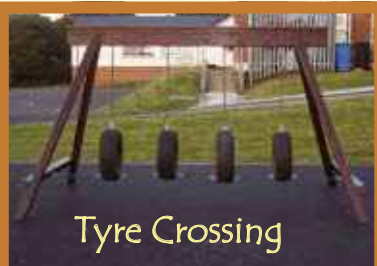

How can you encourage better behaviour in the playground and help children learn that exercise is fun? Our popular play trail items are designed with fun in mind and offer a variety of exciting challenges to give the best play experience possible. Our products will get your pupils moving and help to develop their motor skills, balance, coordination, confidence and much more! Most of our items are safe to use on grass.

Maximise your play space by creating your own **unique trail** by mixing and matching from our ever expanding range. Our products can be tailored to different age groups. If you have an idea just mention it and we will be happy to create it for you!

Why Schools choose us...

 **Value for money, high quality and excellent customer care.** We are a family run business and all our products are manufactured in Limavady here in Northern Ireland, keeping prices low. One price covers all as we personally install all products. Our products have been enjoyed by schools and nurseries throughout North and South of Ireland since 2004.

 **Safety of the children is paramount.** All of our products are designed to comply with European Standards EN1176 and EN1177.

 **5 year Guarantee.** We use locally grown pressure treated timber for all our products which are then stained and painted with bright durable finishes of your choice

 **We have a background in education.** Our product range has been designed with both children and teachers in mind. Sheer enjoyment and a desire to learn outdoors is guaranteed with our ever expanding, exciting designs. Our products provide stimulating opportunities to develop children's physical, social and imaginative skills.

 **Inclusive Play.** It has become our vision as a company to design and create equipment that all children can learn through and enjoy, regardless of impairments and abilities.

 **We offer a bespoke service.** If you have a design in mind, we can create that for you.

If you would like to take a closer look at our quality workmanship, visits can be arranged in your area at local schools and nurseries. We come highly recommended!
